PRELIMINARY AMENDMENT

In the Specification:

Before the first line please insert the following:

Cross Reference

This application is a continuation of U.S. Patent Application Serial No. NOW US APTENT No. 6,103,479

08/865,341 filed May 29, 1997, which is hereby incorporated by reference in its entirety.

In the Claims:

Please cancel claims 2-4

Please cancel claims 5-8 as drawn to a non-elected invention.

Please amend the claims-as-follows:

A cassette [An array] for [screening cells] cell screening, comprising

a base having a surface [micro-patterned array of chemicals for interaction with cells, wherein the surface contains cell binding sites, and wherein the cell binding sites comprise wells, and

a fluid delivery system for delivering a combinatorial of reagents to the controlled array of cell types [a non-uniform micro-patterned array of cells seeded on the

12, and ins
